

I'm not robot!

A brand-new action game from PlatinumGames, exclusively for the Nintendo Switch™ system. The few survivors of a massive global disaster gather together in a futuristic megacity. Now it's your job to protect them against otherworldly invaders—but you're not alone as a member of a special police task force equipped with sentient armaments called Legions. In this brand-new action game from PlatinumGames, control the protagonist and a Legion simultaneously to chain stylish combos. Change Legions on the fly to vary your style and unleash a variety of abilities. The last remnants of humanity depend on you, and to save the world, you must investigate its dark side. Explore a near-future cyberpunk metropolis, solving crimes and seeing how the last remnants of humanity struggle to survive. As you save the world, you must investigate its dark side. Explore a near-future cyberpunk metropolis, solving crimes and seeing how the last remnants of humanity struggle to survive. As you save the world from extradimensional invaders called chimeras, you'll also interact with citizens, question suspects, and team up with members of your task force to solve cases. Utilizing the abilities of Legions will be necessary in these investigations; you may need to track the scent of a missing person or subdue aggressive criminals! Beyond this last land left to humanity lies the Astral Plane, the alternate dimension from which the chimeras invade. As you explore its labyrinthine corridors, you must use your Legions to solve environmental puzzles and expose the secrets of this strange realm. Download NAME Astral Chain LANGUAGE Multi YEAR 2019 GENRE Action ?? Humanity's last chance against an interdimensional invasion is a special living weapon called the Legion. As a rookie officer in the elite police task force Neuron, you and your Legion will work together to solve cases and save humankind. The ASTRAL CHAIN game gives you full control over two characters at once for thrilling Synergetic Action, courtesy of PlatinumGames. Alternate between several Legion types and skills to save the world your way. ASTRAL CHAIN features character designs by the acclaimed manga artist Masakazu Katsura (ZETMAN, Video Girl Ai), and marks the directorial debut of PlatinumGames' Takahisa Taura (designer of NieR:Automata), Hideki Kamiya, director of the Bayonetta game and writer/supervisor of the Bayonetta 2 game, provides supervision. FEATURES: Players can control the protagonist and a special weapon called a Legion simultaneously, building stylish combos by using both characters in tandem. There are multiple Legions in the game, each with different combat styles and abilities. Players can even strategically change between Legions at will during real-time battles. This apocalyptic setting is full of intricate details and interesting characters, including citizens and suspects you can interact with in the city, others in the special police task force, and your twin sibling. Use the abilities of the Legion not only in battle but also for investigating cases and solving environmental puzzles. Uncover the secrets of the alternate dimension called the Astral Plane, where the mysterious invaders originate. ASTRAL CHAIN is directed by Takahisa Taura, known for his work as the game designer on NieR:Automata, and supervised by Hideki Kamiya, creator of the Bayonetta series. Title: Astral Chain Release Date: Aug 30, 2019 Category: Action Publisher: Nintendo Format: NSP/XCI Title ID: 01007300020FA000 Title Size: 9.60 GB Language: En, Fr, De, It, Es, Ja, Zh, Ko Required Firmware: 8.1.0CFW: 8.1.0 + Atmosphere 0.9.2 Astral Chain NSP is an action game developed by PlatinumGames and published by Nintendo for Nintendo Switch. TaoDung » nintendo » Switch » Nintendo Switch NSP » ASTRAL CHAIN Switch NSP XCI Год выпуска: 2019, август Жанр: Action Разработчик: PlatinumGames Inc Издатель: Nintendo Формат образа: NSP Версия игры: 1.0.1 Язык интерфейса: Русский, Английский [RUS / ENG / Multi 9] Озвучка: английская или японская Мультиплеер: до 2 игроков Возрастной рейтинг: 16+ Описание: Вы окажетесь в специальном отряде полиции и будете сражаться с загадочными внеземными созданиями, которые вторглись в наш мир. Арк — мультикультурный город в недалеком будущем. Именно здесь внезапно открылся портал в другое измерение, из которого начинают появляться опасные создания. Они нападают на людей, заражают землю, а обычные сотрудники полиции не могут с ними справиться. Для противодействия этой угрозе создан новый специальный отряд полиции под названием «Нейрон». Выберите из двух игровых персонажей: мужского или женского пола. Второй персонаж также появится в игре и будет членом «Нейрона». Для борьбы с чудовищами человечество разработало особое оружие — Легион. Легион выступает в качестве вашего партнера и помогает с расследованиями. Но именно в битвах Легион раскрывает весь свой потенциал... Используйте различные боевые стили, чтобы дать врагу отпор. Вместе с Легионом вы можете атаковать одного и того же врага одновременно, выбирать различные цели или направить Легиона в атаку и оказывать ему поддержку. Используйте систему взаимосиливающих действий и защищайте человечество! В игре появится множество Легионов, и каждый из них будет отличаться боевым стилем и способностями. Во время битв игроки при необходимости смогут сменить Легионов. Использовать умения Легионов можно не только в сражениях, но и во время расследований. Откройте тайну альтернативного измерения под названием Астральная матрица, откуда появились загадочные пришельцы. Такahisa Taura, работавший над NieR:Automata, выступит в качестве режиссера ASTRAL CHAIN. Именно он разработал концепцию этой игры. Хидэки Камия, создатель серии игр Bayonetta, отвечает за общее руководство проектом. Дизайном персонажей занимается Масаказу Катсура, автор манги ZETMAN и Video Girl Ai.
